

## How to collect the Bonus Points for VVDI remote?

The Xhorse bonus point system is meant to reward you with points each time you use the [Xhorse remotes](#).

Once you accumulate enough points they can be exchanged for freebies or money of software authorizations for other Xhorse programmers etc.

For example, [VVDI Key tool Clone 48 96bit authorization](#) costs 100 Bonus Points each time or you can buy calculation tokens as well, price for token is \$8. So if you have Bonus Points you can save money.

### How much points does VVDI Remote function give you?

From Xhorse normal-wire remote you get 25 bonus points.

From Xhorse-wireless remote you get 40 bonus points.
